slippery, glaring, scorching.
It's all in a day's work.

For you, the unpredictable is the everyday. But there's one thing you can always depend on: the Agilent FieldFox combination analyzer. At a compact kit-friendly 6.6 lbs., it's three instruments in one: cable & antenna analyzer (CAT) + vector network analyzer (VNA) + spectrum analyzer. Which means now the power to anticipate any need fits right in the palm of your hand.
