

# Educational Discount Up to 50%

## Save more and Get SMARTer with Keysight

Keysight is committed to supporting academia — let's do amazing things together. To stand out above the rest, you need smarter resources in your labs. Under the educational discount program, approved educational institutions receive a 15% discount on eligible hardware products and a 50% discount for select software products.

### Save 15% on hardware

 Oscilloscopes	 Signal Analyzers	 Frequency Counters	 Power Analyzers
 Digital Multimeters	 Signal Generators	 LRC Meters	 Data Acquisition
 Waveform Generators	 Network Analyzers	 Impedance Analyzers	 Parameter / Device Analyzers
 DC Power Supplies	 FieldFox	 Power Meters and Sensors	 Source Measure Units
Handheld products and more			

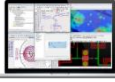

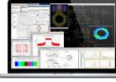

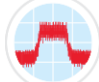

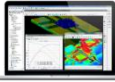

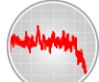

You can set up accredited teaching labs and state-of-the-art research labs with Keysight's education discount program.

Equip your teaching and research labs now with industry-leading design and test tools.

Save up to 50% — valuable for your students and right for your budget.

## Save 50% on software

Design and Simulation Software		Application Software		
 PathWave Advanced Design System (ADS)	 PathWave RFIC Design (GoldenGate)	 PathWave Vector Signal Analysis (89600 VSA)	 Infiniium Series Oscilloscope Software	 Photonics Application Suite
 PathWave EM Design (EMPro)	 PathWave Model Builder	 PathWave X-Series Measurement Applications	 Network Analyzer Software <sup>1</sup>	 Labber
 PathWave RF Synthesis (Genesys)	 PathWave Model Quality Assurance	 Signal Optimizer	 NEMO Wireless Network Software	 Quantum Benchmark
 PathWave System Design (SystemVue)	 PathWave WaferPro	 PathWave Signal Generation	 Wireless Test Platform Software <sup>2</sup>	
Programming Software		Productivity Software		
 PathWave Test Automation	 VEE Pro	 PathWave Data Analytics		
 PathWave FPGA Programming Environment		 PathWave BenchVue		

<sup>1</sup> Applicable to the select software of the network analyzers only. Software installed on FieldFox is not eligible.

<sup>2</sup> Applicable to the select software of the wireless test solutions only.

Take advantage of this educational support program by contacting your Keysight sales representative or authorized partners to confirm your eligibility for the educational discount or to place an order.

## Terms and Conditions

The educational discounts may not be combined with other Keysight promotions. Prices and availability information are subject to change without notice.
