

Educators Get 30% Off Keysight Smart Bench Essentials Series

Equip the teaching laboratory with a family of four professional-grade instruments: A Digital Multimeter, Power Supply, Function Generator, and Oscilloscope Available NOW through March 31, 2025

Introduction

Smart Bench Essentials is a complete lab test bench solution. With a 30-watt triple-output power supply, single- or dual channel 20 MHz function generators, a 5.5-digit digital multimeter, and a 50 MHz oscilloscope, Smart Bench Essentials has everything you need for a basic electronic workbench, plus powerful software that integrates measurement and analysis across the portfolio.

Save 30% on Smart Bench Essentials

Keysight is committed to supporting academia – let's do amazing things together. For a limited time, Keysight is offering 30% off on Keysight Smart Bench Essentials series products to educators to equip their basic electronic laboratories.
