

# CAUTION

TEST IN PROGRESS  
DO NOT DISTURB

# TestEquity

TestEquity is the largest distributor of test and measurement equipment and environmental test chambers, offering flexible rental, certified pre-owned, and VMI services. With the widest selection of solutions and unmatched technical expertise, we are committed to providing the right solutions promptly to meet your needs.

## We carry the industry's top brands

## We support the entire lifecycle of electronics

### Electronics Research & Design

#### Key Areas:

- ▶ Design
- ▶ Prototype
- ▶ Test

#### Key Products:

- ▶ Benchtop T&M equipment
- ▶ Solder & desolder equipment
- ▶ Environmental chambers

### Electronics Assembly

#### Key Areas:

- ▶ Production
- ▶ Quality control
- ▶ Assembly

#### Key Products:

- ▶ Solder & desolder equipment
- ▶ Process materials
- ▶ Static control

#### Key Areas:

- ▶ Field service
- ▶ Maintenance & repair
- ▶ Electronics refurbishment

#### Key Products:

- ▶ Handheld T&M
- ▶ Process materials
- ▶ Solder & desolder equipment

## We stock a huge selection of products

### Adhesives, Sealants, & Tapes

Adhesive primers and promoters, anaerobic adhesives, adhesive dispensing equipment, silicones, tapes, thermal management pads

### Apparel

Bouffant caps, finger cots, gloves, shoe covers, smocks, coats & jackets

### Benches, Workstations & Seating

Benches & accessories, chairs, footrests, stools

### Bottles & Dispensers

Bottles, dispensing systems, needles, syringes, tape dispensers

### Cases & Tool Organizers

Pallets, roll pouches, tool boxes & chests

### Chemicals, Cleaning & Abrasives

Abrasives, cleaners, conformal coatings, swabs

### Cleanroom

Ionizers, personal protection apparel, swabs, table & floor mats, wipes

### Component Measurement

LCR impedance meters, battery testers, semiconductor analyzers

### Digital MultiMeters & Data Acquisition

Bench digital multimeter, handheld digital multimeters, clamp-on meters, megohmmeter, data acquisition systems

### Electromechanical

Circuit protection, connectors, enclosures, prototyping, resistors, switches, wire & cable

### Hand & Power Tools

Hand tools, measuring devices & gauges, pneumatic & electronic assembly tools, power & torque tools

### Labels, Printers & Paper Supplies

Binders & document holders, labels, printers, signs

### Magnification & Lighting

Lamps, magnifiers, microscopes, mirrors, inspection

### Network & Spectrum Analyzers

Network analyzers, spectrum analyzers, handheld cable & antenna analyzers, handheld network analyzers, handheld spectrum analyzers

### Networking, Telecom & Fiber

Cables, connectors, fiber optic, testers

### Oscilloscopes & Signal Generators

Benchtop & handheld oscilloscopes, oscilloscope probes & accessories, arbitrary function generators, pulse generators

### Other Instruments

Hipot electrical safety testers, thermal imagers, process controllers, audio analyzers, calibrators

### Power Management

Batteries, extension cords, power supplies, surge & power strips

### Power Supplies & AC Sources

Single & multiple output DC power supplies, modular DC power supplies, source measure units (SMUs), DC electronic loads, AC sources

### RF & Microwave

RF signal generators, RF power meters & sensors, RF amplifiers, RF test accessories, frequency counters

### Safety Supplies

Absorbent & spill control, ear protection, eye protection, first aid kits, lockout tagout

### Solder & Desolder

Stations & irons, solder wire, solder & desolder tips, solder paste, flux & thinners

### Static Protection

Packaging materials & sealers, personal static, protection & grounding, static testers & monitors, facility static protection

### Storage & Handling

Carts, hand trucks, mobile workstations, shelving, racks & storage cabinets, shipping boxes & cases, totes, bins & organizers

### Test Chambers

Ovens, temperature & humidity chambers

### Tool Kits

Bio medical, electromechanical, tool control, telecom & networking

## We offer many solutions

- T&M Equipment
- Test Chambers
- Certified Pre-Owned Equipment
- Rental Equipment
- Equipment Buyback
- Calibration Services
- Production Supplies
- Tool Kits
- Custom Tool Kitting
- Inventory Management
- ESD Audits
- Punchouts
- EDU Programs
- GSA Programs
- Bench & Chair Configurators
